The Servant Songs: The Chosen One
Isaiah 42:1-9 Matthew 9:35-38

That does it mean to you that Jesus came as a Servant?

How would our church look if we all had the same Servant heart as Jesus?

In the Matthew reading 'Jesus looked at the People with compassion' what is the difference between compassion, sympathy and pity?

How would our church look if we had the same compassion as Jesus had?

How do you think the Father upheld Jesus and how will he uphold us?

What does it mean when the Isaiah reading tells us the God is marching out? Is he moving in our time? If so how? If not why? This passage tells us he is on the move.

How do we worship Jesus?

Are we feeling bruised or smouldering? How does Jesus relight the wick or heal the reed?

How can we help others who feel weary?

Chris George
