Worship at Lace Hill during August

As we are now into school holidays many of our families are away. This therefore means that many of our regular team members are on holiday. We are therefore looking for new recruits in 3 areas:

- set up etc over the coming weeks— including set up / down chairs for at least 2 weeks. Please do speak with me if you can help.
- Being part of the children's team as the majority of the children's team are away and we would still like the children to have their own space for learning on a Sunday morning. I will head up a children's team so please do speak with me if you are able to be a helper or even lead! (particularly on 20th August when I am away).
- And finally are you willing to stay on until the caretaker arrives on 20th, 27th or 3rd September. It would be much appreciated.

Thank you Wendy

Our Young People attending various Soul Survivor events over August

Joanna has had a fantastic year working as a gap year volunteer for Youth for Christ. Her passion and love for young people has grown and she remains enthusiastic about sharing the good news of Christ with young people.

Joanna needed to raise £3,000 for her time with YFC and is grateful for the gifts received. The money has been used for monthly Youth work training, worship training, travel, accommodation and an academic theology course with Moorlands. However she is still short of £500. If you have enjoyed reading Joanna's news and have felt her excitement and able to help her reduce her deficit then any gifts would be gratefully received. Gifts can be sent direct to Youth for Christ via their website <https://yfc.uk/joannaedworthy/>.

Please do pray for Joanna as she returns to Manchester on Monday for a week of Mission.

'I just wanted to say a HUGE THANK YOU to all who came and supported me at Pimm's & Hymns last week, and to all who have given financially and prayerfully so far. The support has been phenomenal and has totally confirmed this path as God's plan for my next step as the door has been well and truly flung wide open. I have now achieved my initial goal of £6500 to cover my accommodation and course fees at Soul Survivor, but I am still in need of living expenses for the 10 months I am in Watford. A few have expressed an interest in monthly sponsorship support, so if this is you please contact me and we can arrange a time to discuss practicalities. My moving date is **Saturday 28th October** and I plan to be around for most of September and October, hopefully leading worship and catching up with as many as I can before I go! Please pray for me over the next few months and on my moving date as I prepare for this huge life change!

With much thanks, Dom
